

Hey!
I'm Heather

Special Education Teacher
Curriculum Coordinator
M. Ed Teacher Leadership

fullSPEDahead

Hey! I am a passionate special educator turned mentor that loves supporting other education professionals! I help self-contained special education teachers with individualized and personalized support to make self-assured educational decisions so that you can avoid the stress, overwhelm and burnout in this field. I believe special education teachers are better together!

I'm so glad you're here, let's connect on social media!

Let's get social:

Mentorship Testimonial

"Heather's support is the best because of the individual attention. Being able to ask questions and get feedback from a neutral person is so helpful.

Also, the group meetings are great, because I learn so much even when all I'm doing is listening to other teachers questions and concerns.
